GRANTS FOR EXCHANGE OF INFORMATION

§ 17.250 Scope of the grant program.

The provisions of § 17.250 through § 17.266 are applicable to grants under 38 U.S.C. 8155 for programs for the exchange of medical information. The purpose of these grants is to assist medical schools, hospitals, and research centers in planning and carrying out agreements for the exchange of medical information, techniques, and information services. The grant funds may be used for the employment of personnel, the construction of facilities, the purchasing of equipment, research, training or demonstration activities when necessary to implement exchange of information agreements.

§ 17.254 Applications.

Each application for a grant shall be submitted to the Under Secretary for Health on such forms as shall be prescribed and shall include the following evidence, assurances, and supporting documents:

(a) *To specify amount.* Each application shall show the amount of the grant requested, and if the grant is to be for more than one objective, the amounts allocated to each objective (e.g., to training, demonstrations, or construction) shall be specified, and

(b) *To include copy of agreement.* Each application shall be accompanied by a copy of the agreement for the exchange of information or information services which the grant funds applied for will implement, and

(c) *To include descriptions and plans.* Each application shall include a description of the use to which the grant funds will be applied in sufficient detail to show need, purpose, and justifications, and shall be illustrated by financial and budgetary data, and

(d) *To include cost participation information.* Each application shall show the amount of the grant requested to be used for direct expenses by category of direct expenses, the amount requested for indirect expenses related to the direct expenses, any additional amounts which will be applied to the program or planning from other Federal agencies, and from other sources, and amounts or expenses which will be borne by the applicant, and

(e) *To include assurance records will be kept.* Each application shall include

sufficient assurances that the applicant shall keep records which fully disclose the amount and disposition of the proceeds of the grant, the total cost of the project or undertaking in connection with which the grant is made or used, the portion of the costs supplied by non-Federal sources, and such other records as will facilitate an effective audit. All such records shall be retained by the applicant (grantee) for a period of 3 years after the submission of the final expenditure report, or if litigation, claim or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved, and

(f) *To include assurance records will be made available.* Each application shall include sufficient assurances the applicant will give the Secretary and the Comptroller General of the United States, or any of their authorized representatives, access to its books, documents, papers, and records which are pertinent to the grant for the purposes of audit and examination, and

(g) *To include assurance progress reports will be made.* Each application shall include sufficient assurances the applicant will furnish the Under Secretary for Health periodic progress reports in sufficient detail showing the status of the project, planning, program, or system funded by the grant for which application is made, and the extent to which the stated objectives will have been achieved, and

(h) *To include civil rights assurances.* Each application shall include sufficient assurances that no part of the grant funds will be used either by the grantee or by any contractor or subcontractor to be paid from grant funds for any purpose which is inconsistent with regulations promulgated by the Secretary (part 18 of this chapter) implementing title VI of the Civil Rights Act of 1964, or inconsistent with Executive Order 11246 (30 FR 12319) and any implementing regulations the Secretary of Labor may promulgate.

§ 17.255 Applications for grants for programs which include construction projects.

In addition to the documents and evidence required by § 17.254, any application for a grant for the construction of any facility, structure or system which is part of an exchange of information program shall include the following:

(a) Each application shall include complete descriptions, maps, and surveys of the construction site, and documentary evidence and explanations showing ownership, and

(b) Each application shall include complete plans and specifications for the construction project, and where applicable, sufficient explanations of technical applications so that they may be understood by the layman, and

(c) Each application shall contain assurance that the rates of pay for laborers and mechanics engaged in construction activities will not be less than the prevailing local wage rates for similar work as determined in accordance with the provisions of 40 U.S.C. 276a—276a-5 (The Davis-Bacon Act).
